Coach. I am this athlete's current primary coach. The facts in this application are true to the best of my knowledge. I understand that selection is competitive, that only one $1,000 award will be made in 2026, and that funds, if awarded, will be paid to the gym for training fees only. I have the parent/guardian or adult athlete's approval to submit this nomination.

Parent / guardian, or athlete 18 or older. I approve this nomination. I understand the award is $1,000 paid to the gym for training tuition or team training fees, is for one year, is not an NCAA scholarship, and does not require the athlete to appear in Gymnastics University marketing. If selected, I authorize the gym to receive the payment and apply it to this athlete's training account. I authorize Gymnastics University to announce the athlete's name, gym, and city if selected. I may withdraw that publicity permission by email within five days of the award notice. I understand Gymnastics University will communicate about this application with me and the nominating coach, not one-on-one with a minor athlete.
